Pass your CBAP Certification on 1st Try !!

Largest CBAP Training Event in Pakistan - Islamabad | Lahore | Karachi | Faisalabad | Hyderabad | Peshawar

Program Overview

Prudential learning solutions offers CBAP exam preparation course that covers the basic skill sets required by Business Analyst (BA) professionals based on the industry recognized standards and benchmarks such as Institute of Business Analysis' (IIBA), Business Analysis Body of Knowledge (BABOK), and other industry best practices. This program is an interactive training workshop, with classroom lectures, exercises and case study. These go much beyond just enabling the course participants successfully clear the certification exam, while explaining the practical concepts that facilitates implementation of these good practices within their organization.

This program also prepare the delegates for internationally recognized business analysis certification for business analyst.
